Theodore Jones
also known as
Ted Joans
Extremist Matters-Black Nationalist

Investigation was initiated upon receipt of information from a representative of the Immigration and Naturalization Service (INS), John F. Kennedy (JFK) Airport, New York (NY), NY, on September 22, 1971, that Theodore Jones arrived at JFK Airport, at 2:37 p.m., aboard Laker Airlines, Flight Number 737, on September 22, 1971, a chartered flight from London, England. This representative advised Jones was destined to 1812 Monroe Street, Cairo, Illinois.

Representatives of the Federal Bureau of Investigation (FBI), at Cairo, Illinois, reported there is no Monroe Street, in Cairo, Illinois.

On November 3, 1971, Mrs. James ~~Mc Kinley~~, 1008 Madison Street, Fort Wayne, Indiana, mother of the subject, advised that Theodore Jones had returned to the United States, about October 17, 1971. She stated he told her he had arrived by ship and not by airplane.

Mrs. McKinley said her son visited her in Fort Wayne, Indiana, on the night of October 30, 1971, and left early Monday morning, on November 1, 1971, stating to her that he had to be back in New York City, for an appointment with his publisher on that date and after the appointment would be immediately leaving to return to Africa. She said this was the first time she had seen her son in four years, and her only other contact has been by letters he writes her now and then.

Mrs. McKinley said Jones has written two books and came to the United States to have his third book published and told her while visiting that he was working on his fourth book. Theodore Jones gave Mrs. McKinley a copy of the two books that he had previously had published, "Afrodisia", New Poems By Ted Jones", and "Black Pow Wow, Jazz Poems", both published by Hill and Wang, New York, New York.

ENCLOSURE

Theodore Jones

Mrs. McKinley advised, during his visit her son told her he was attending schools in Africa, and also teaching. He further told her he was not at any one particular school but moved around where his services were needed. He left his mother many photographs of Africans which he had taken while in Africa, and told Mrs. McKinley he liked living in Africa, very much and never planned to come back to the United States to live. Mrs. McKinley said she did not know what country in Africa he was returning to.

Sources of the Chicago, Indianapolis, New York, and Springfield Offices, of the Federal Bureau of Investigation, who are cognizant of extremist activities in their respective office areas, advised they had no knowledge of Theodore Jones during September, October, and November, 1971.

THEODORE JONES
RACIAL MATTERS - BLACK NATIONALIST

ReNYlet 12/19/69.

Referenced New York letter sets forth negative investigative efforts to locate subject in the New York area since his reported arrival in the United States in late 1969. Referenced communication placed this case in a closed status noting appropriate sources of the New York Office have been alerted to his possible presence and of the necessity for reporting pertinent information received.

Review of the case file in this matter at the Bureau indicates that in addition to prior residences in the New York City area, subject has periodically resided in other areas of the United States and at the time of his original issuance of a United States passport in 1960 listed his mother as a resident of Louisville, Kentucky.

In view of subject's reported "black power" interests in the United States and abroad, the Bureau feels additional efforts should be undertaken to locate subject at this time. New York should, therefore, review its file in this matter and set forth logical leads to appropriate field offices for the purpose of determining subject's presence and activities therein. Results of positive data developed should subsequently be furnished to the Bureau in form suitable for dissemination together with recommendations regarding additional investigative action to be taken in this case.

Legats, Paris and London should be alert to the development of information through sources and informants to indicate subject may have returned to their jurisdictions from the United States subsequent to September, 1969.

Letter to SAC, New York
RE: THEODORE JONES
157-10590

NOTE:

Subject is a Negro poet of United States origin, who has been active in black power activities in the United States as well as in London and Paris since 1968. While in Paris he was also involved in activities of the "Friends of the Student Nonviolent Coordinating Committee" (now known as the Student National Coordinating Committee) a black revolutionary organization headquartered in New York City. While attending a black power conference in Philadelphia in August, 1968, Jones reportedly made a remark to indicate he had had contacts abroad with "other revolutionaries." Instructions being directed to New York to expand investigation to locate subject in view of above.

UNITED STATES GOVERNMENT

Memorandum

TO : DIRECTOR, FBI (157-10590)

FROM : SAC, NEW YORK (157-2950) (C)

SUBJECT: THEODORE JONES aka
RM - BNAT

DATE: 12/19/69

ReNYlet and LHM, 10/31/69.

Confidential sources of the NYO who are familiar with black nationalist activities in the New York City area were contacted in November and December, 1969, and all advised that they could furnish no information on the whereabouts of JONES.

Detective EDWIN COOPER, Special Services Division (SSD), NYCPD, advised on 12/15/69, that his files contain no information on the current whereabouts of JONES.

In view of the fact that investigation at New York failed to determine the whereabouts of JONES, it is assumed that he is no longer in the New York area, otherwise the SSD and confidential sources would by this time have had some information on the subject.

It is noted that JONES entered the US through NYC on September 14, 1969. According to NY 5011-R, it's impossible for a person like JONES to be in New York since September, 1969 without being seen or heard from, since there is no reason for him to be in hiding.

All sources and SSD, NYCPD, have been alerted to be on the lookout for JONES and/or information on his whereabouts and activities.

This case is being closed at New York, but the Bureau will be immediately advised if information on JONES is made available at a future date.

UNITED STATES GOVERNMENT

Memorandum

TO : DIRECTOR, FBI (157-10590)

DATE: 4/3/69

FROM : LEGAT, PARIS (157-24) (RUC)

SUBJECT: THEODORE JONES, aka
RM - BNAT

Re Paris let to Bureau 2/4/69.

On 3/26/69 inquiry at U. S. Consulate General, Tangier, Morocco, was made. No record of subject was located even though his passport was renewed there 6/30/63. Such files are destroyed after a certain time. RICK KATZORAS, employee at Consulate General, recalls subject as a musician who was well known in Tangier and throughout Morocco. He resided in Tangier for several years and on occasion served as a guide for American tourists visiting various Moroccan citizens. KATZORAS could furnish no further pertinent information.

Mr. JOSEPH CHEEVER, Consul, American Embassy, Rabat, Morocco, furnished the enclosed copies of passport renewal record (2 copies furnished for Bureau and New York). It is noted that on 9/27/66 inquiry was received from the District Attorney, San Bernardino, California as to subject's whereabouts. No reason for the inquiry was noted. In the event the Bureau is not previously aware of interest of the District Attorney, it may wish to inquire as to the reason for his inquiry. It is also noted that recent inquiry conducted by the Moroccan Police as to a report that ELDRIDGE CLEAVER had been seen in Marakesh, Morocco, identified the individual as THEODORE JONES. It is possible, therefore, that subject may have returned to Morocco from New York City where his presence was noted in December, 1968.

We will advise the Bureau in the event further information is received.

With response to Bureau letter which indicated that in 1956 one TED JOANS reportedly lived at 108 St. Marks Place, Greenwich Village, NY, an investigation in the vicinity of St. Marks Place disclosed that the building at 108 St. Marks Place has been torn down.

The following confidential sources of the NYO, who are familiar with Black Nationalist activities in the NYC area, were contacted in November, 1968, and all advised they could furnish no information on the identity and/or activities of TED JOANS:

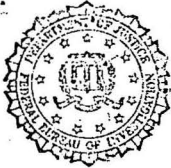

FOIA(b)7 - (D)

In reference to information furnished by source 2, it is noted that the INS, WDC, on 10/13/68, furnished information to the Bureau after receiving the information from the Canadian Immigration authorities. The exact date of the meeting of the Congress of Black Writers was not indicated.

SE ROBERT P. LYNCH reviewed Passport records at WDC on 12/9/68.

Information in WFOlet, 12/11/68, indicated that subject's passport file reflects a request from LOWELL E. LATHROP, District Attorney, Domestic Relations Division, Court House, San Bernardino, California 92401, dated 8/29/66, in which he requested assistance in locating "Theodore Jones, 7/20/28, Cairo, Illinois". LATHROP stated "In course of an investigation it becomes necessary for us to learn the present whereabouts" of JONES.

Information pertaining to JONES' present whereabouts will be furnished the Los Angeles Office by separate communication.

Theodore Jones Also
Known As Ted Joans

A confidential source, who has furnished reliable information in the past, advised on October 2, 1968, that an individual by the name of Ted Joans described as Negro male, age 36 - 38, approximately 5 feet 11 inches, who wears his black hair in Afro style and has full beard, supposedly returned to the United States from North Africa.

According to this source, Joans was in Philadelphia, Pennsylvania, recently (August, 1968) to attend a Black Power conference. At this conference, Joans was heard to remark about recently having been in contact or a meeting with some "other revolutionaries in Europe".

The source was not aware of the particular identity of the "other revolutionaries" referred to by Joans or the time and/or place of the meeting. The source believes that from the general conversation Joans attended this meeting during the early part of 1968.

The source surmised that Joans is a poet or writer and that he had recently wrote a poem for a fund-raising activity held by the Black Panther Party (BPP) during September, 1968 at the Renaissance Ballroom at New York City.

A characterization of the BPP
is attached.

"The Guardian" newspaper dated August 31, 1968, page 18, under the Music Section contained an article captioned "Jazz at Randall's Island" dealing with the "Randall's Island Jazz Festival in New York City" consisting of all Negro entertainment.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

ENCLOSURE

157-10590-8

Ted Joans

The article indicated that the festival, located across the river from Harlem, had more black people than white in the audience and there weren't very many white policemen at the scene and there was no trouble.

The article was signed Ted Joans and self-described as "a Black correspondent from the British underground paper, International Times, back in America after 8 years of self-imposed exile mostly in Timbuktu".

A characterization of "The Guardian" is attached.

A second source, who is a confidential source abroad, made available on October 23, 1968, information that recently "Jones/Joans, Theodore/Ted, born 7/20/28, at Cairo, Illinois, who listed his residence as 180 West 135th Street, New York City" travelled to Canada to attend the Congress of Black Writers.

Mr. James Cooke, Program Director, Young Men's Christian Association (YMCA), 180 West 135th Street, New York City, stated that one Ted Joans stayed at the above YMCA for three weeks and checked out on December 13, 1968.

He also advised on December 17, 1968, that Joans when terminating his stay at the YMCA, 180 West 135th Street, New York City, indicated his forwarding address to be in care of I. Young, 321 Sixth Avenue, New York City.

The files of the Passport Office, United States Department of State, Washington, D. C.; were reviewed on December 9, 1968, and disclosed the following information:

Passport Number 1937793 was issued on March 11, 1960, at New York City, in the name of Theodore Jones also known as Ted Joans, for the purpose of travelling to England, France, Spain, Switzerland, Austria, Germany, Sweden and Denmark for purpose "To study art history and obtain material for my book on new avant garde painters and poets of this generation".

Theodore Jones Also
Known As Ted Joans

Jones was to have departed from New York City about April 7, 1960, for a stay of three months.

Jones' Passport Record File lists his date of birth as July 20, 1928, at Cairo, Illinois, and presented his birth certificate when applying for a passport which listed his name as Theodore Jones. His permanent address was listed as 22 Astor Place, New York, New York.

Passport records further disclosed that on September 8, 1960, at the American Embassy at Paris, France, Theodore Jones reported that during a trip by rail from Naples to Rome, his wallet containing \$253.00 was stolen or lost. Jones continued his trip to Paris, having already purchased his train ticket before losing his money. Jones at that time claimed to be destitute and applied to the United States Embassy for subsistence and repatriation.

On October 21, 1960, the American Embassy at Paris, France, advised that Jones was repatriated on October 13, 1960, aboard the SS "Queen Elizabeth" arriving in New York on October 18, 1960, having received \$328.97 which was paid in full on November 20, 1961.

On January 10, 1962, at the American Embassy at Tangier, Morocco, Theodore Jones registered as an American citizen and resided at Rue de La Seine Number 6-Mueble Perez-Tangier, Morocco with his permanent residence as 310 West 14th Street, Studio 1-A, New York City.

On June 20, 1963, at the American Embassy at Tangier, Morocco, Jones renewed his passport number 1937793 making it valid until March 10, 1965, proposing to remain abroad indefinitely.

On March 19, 1965, Passport number Z-381913 was issued in the name of "Theodore Jones, also known as Ted Joans" at the American Embassy, at Rabat, Morocco, during which time Jones indicated that he proposed to remain abroad until "Spring, 1966". He listed his permanent residence as 1012 Madison, Fort Wayne, Indiana and his foreign address as Hammerfest,

Theodore Jones Also
Known as Ted Joans

Norway. He indicated he was last married to Grete Moljord Jones on May 10, 1962.

On March 19, 1968, at the American Embassy at Paris, France, Jones had his passport number Z-381913 renewed making it valid until March 18, 1970. His renewal application stated he intended to remain abroad six months "to study" and that he intended to depart from Oslo, Norway, via "Fred Olsen Lines" about August, 1968.

AMERICAN LABOR PARTY

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the American Labor Party:

"AMERICAN LABOR PARTY

- "1. 'For years, the Communists have put forth the greatest efforts to capture the entire American Labor Party throughout New York State. They succeeded in capturing the Manhattan and Brooklyn sections of the American Labor Party but outside of New York City they have been unable to win control.'
(Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 78.)
- "2. 'Communist dissimulation extends into the field of political parties forming political front organizations such as the * * * American Labor Party. The Communists are thus enabled to present their candidates for elective office under other than a straight Communist label.'
(Internal Security Subcommittee of the Senate Judiciary Committee, Handbook for Americans, S. Doc.117, April 23, 1956, p. 91.)"

On October 7, 1956, PETER HAWLEY, New York State Chairman, American Labor Party, publicly announced the American Labor Party State Committee unanimously approved a resolution dissolving the organization and ordering the liquidation of its assets.

BLACK PANTHER PARTY

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "... we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

"NATIONAL GUARDIAN" WEEKLY GUARDIAN
ASSOCIATES, INCORPORATED

The "Guide to Subversive Organizations and Publications", revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the "National Guardian":

"1. ...'established by the American Labor Party in 1947 as a "progressive" weekly...it has manifested itself from the beginning as a virtual official propaganda arm of Soviet Russia."

The February 3, 1968 issue of the "National Guardian" announced that as of the issue of February 10, 1968, the "National Guardian" would henceforth be known as the "Guardian".

The February 10, 1968 issue of the "Guardian" is self-described as an "independent radical newsweekly" and is published by Weekly Guardian Associates, Incorporated. The "Guardian" lists its address as 197 East 4th Street, New York, New York.

The February 12, 1968, issue of the "New York Times" carried an article entitled, "Radical Editors Say Their Job Is In 'Movement'". This article stated that the first issue of the "Guardian" was dedicated by the paper's staff "To those heroic Liberation fighters who last week began a major offensive against American Imperialism in South Vietnam."

This article quoted one of the editors as saying that "Our job is to build a Radical Movement. To quote the Cuban revolutionaries, we are not only to write about it, but also to move along with it--we are movement people acting as journalists."

"The 'Guardian' takes a strong left position, but it is not identified with any organized group because it believes that an American left ideology is still in the making. One of its purposes is to break away from the cliches of the left ideology of the past."

FROM : SAC, NEW YORK (157-2950) (P)

SUBJECT: TED JOANS
RM - BLACK NATIONALIST

DATE: 10/7/68

ReBulet to Legat, London, no carbon copy WFO.

ReBulet reflects that a poster relating to a Black Power discussion which was evidently held in France on 4/29/68, contained the name TED JOANS along with known Black Nationalist leaders from the United States.

It is believed this TED JOANS identical with Negro poet residing in England, described as age 40, believed to be an American from New York.

On 10/2/68, [REDACTED] (PROB) advised that one TED JOANS supposedly returned to US from North Africa, was in Philadelphia recently to attend the Black Power Conference held there (8/29 to 9/1/68).

JOANS at conference was heard to remark he recently had been in contact with or at a meeting with other revolutionaries not further identified in Europe. Source believes contact with revolutionaries believed to have had taken place earlier this year.

Source advised that the TED JOANS at Philadelphia apparently is a poet or writer and recently read a poem at a fund-raising affair held by the Black Panther Party in September, 1968, at New York City.

Source described TED JOANS at Black Power Conference as:

Sex: Male
Race: Negro
